

CHESTERFIELD FOOTBALL ASSOCIATION

Code of Conduct

Chesterfield Football Association (“CFA”) is committed to developing young athletes physically, emotionally and socially through their participation in CFA’s football and cheerleading programs. The skills developed in these programs will serve the participants not just in their future sports endeavors, but also in every aspect of their lives. Children learn by example, thus we are dedicated to providing the best models of sportsmanship, fairness, respect, self-control, teamwork and trust within a safe environment that builds confidence and self-esteem.

In recognizing these goals, we understand that the following behaviors are detrimental to the physical, emotional and social well-being of our athletes, and therefore cannot be tolerated:

- Engaging in any behavior that disrupts games, practices, or any other CFA activity;
- Acting in an unsportsmanlike manner toward athletes, coaches, parents, or officials whether part of CFA or another association;
- Using or being under the influence drugs, alcohol, or tobacco while coaching, participating in, or officiating a CFA event;
- Using profanity or other offensive or inappropriate language;
- Engaging in behavior that in any way jeopardizes the health, safety or physical well-being of any person;
- Making any verbal or physical threats to any other person;
- Fighting of any kind, which includes but is not limited to physical contact which may result in injury;
- Acting in a manner that any reasonable person would realize is detrimental to CFA or its participants.
