Family and Friends of the CFA,

This summer, the Chesterfield Football Association will conduct the Second Annual CFA Golf Classic to help support the financial needs of our organization and to support the 700 plus boys and girls in our organization. We hope you will participate as a golfer, but if not, please consider supporting the event as a sponsor, dinner guest or by donating an attendance or silent auction gift.

To conduct a memorable event, we believe we need to offer great attendance prizes for the participants to show our appreciation for supporting the league. The CFA is a non-profit organization run by volunteers and parents like you, and registration fees, sponsorships and fundraising, are the source for all of the operating income. **The CFA is actively looking for support in the area of prize donations and sponsorships for this golf event.** If you or your place of business would like to donate to the CFA Golf Classic or become a sponsor, the league would greatly appreciate it. If you have a friend or business relationship who you think would participate with a gift or sponsorship, please pass this along to them with our sponsorship letter.

Our goal is to ensure that every participant in the Golf Classic has a fantastic time and goes away feeling every dime they spent was worth it and went to a good cause. We expect 144 golfers from the west county area, and our goal is for each and every participant to leave happy. With your generosity, we can achieve this goal.

Examples of gift ideas are:

Golf Balls, Gift Cards to restaurants and local retail stores, Golf Apparel, Sporting event tickets, gift baskets, wine, memorabilia, etc. Monetary donations are also accepted and are tax deductible.

All donations for the CFA Golf Classic can be sent to:
